

Canadian Anti-Spam Legislation (CASL)

Here at Conlin Dentistry, we pride ourselves on the accuracy of our customer service. Our team of specialists work tirelessly in an effort to provide you and your family with the best dental care possible.

One method of communication our office will use is email. On July 1, 2014, tighter restrictions to Canada's Anti-Spam Legislation (CASL) will take effect, bringing with it substantial changes to how you receive email communications, and perhaps most important, your ability to receive notifications. Moving forward, this new anti-spam legislation requires that you provide your consent before receiving any Electronic Communications from Conlin Dentistry.

If at any time you wish to withdraw your consent, you may do so by contacting us at 905-576-8222 or by email to office @conlindentistry.com.

Conlin Dentistry is aware of your legitimate concerns about privacy and is fully committed to maintaining the integrity, confidentiality, security, and accuracy of your personal information in accordance with applicable privacy legislation and best industry practices.

Please sign below to express your consent to receiving electronic messages from Conlin Dentistry. This process will only take a moment and will help ensure our communication with you and your family.
